Los Angeles Contends Such Use Will Prevent Government Plan to Irrigate Two Million Acres of Tributary Arid Land.

REALTY BOARD AND CHAMBER OF COMMERCE ACTING

Los Angeles, Cal., Sept. 22.—Interstate difficulties, growing out of divergent interests may result between Colorado and California over the question of erecting dams across the Colorado river in Colorado, for the purpose of furnishing irrigation for arid lands in Colorado, Arizona and parts of California.

DRIVER HALE ALMOST KILLED

Gritty Fireman Thrown From Wagon While Making Exhibition Run.

THREE RIBS ARE BROKEN

Last night at 8 o'clock Driver Irvin Hale, of the city fire department, was almost killed by being thrown from the hose wagon while making an exhibition run with the rest of the department.

Hale usually drives the black team to the big wagon, but during the past week, while the department has been entertaining the fair visitors with an exhibition run every night, Hale has been driving the bay team to the second hose wagon, as this team is regarded as the most difficult to handle.

Last night when the department turned out in response to the alarm for the exhibition run something got the matter with the lines to Hale's team and just before he reached Railroad avenue, one of the lines parted. Seeing that he could not make the turn, the gritty driver used one line and pulled the team into a telegraph pole. This caused the team to stop, but in the collision, Hale was thrown violently to the ground. He suffered three dislocated ribs and other severe injuries, which will lay him up for several weeks. It is not thought, however, that his injuries will prove fatal.

Hale is an experienced driver and returned to Albuquerque only a few months ago from St. Louis, where he had been with the St. Louis fire department for several years. His presence of mind last night prevented what might have been an awful accident, as had the team started to make the turn without a line to guide them, they would have dashed into the big crowd lining the sidewalk.

LAS VEGAS WINS FROM CLIFTON CLUB

A telephone message from the fair grounds, received at 4:30 p. m., says Las Vegas River defeated the strong aggregation from Clifton by the close score of 6 to 5. It took thirteen innings to accomplish the feat.

BAR ASSOCIATION CLOSES INTERESTING MEETING

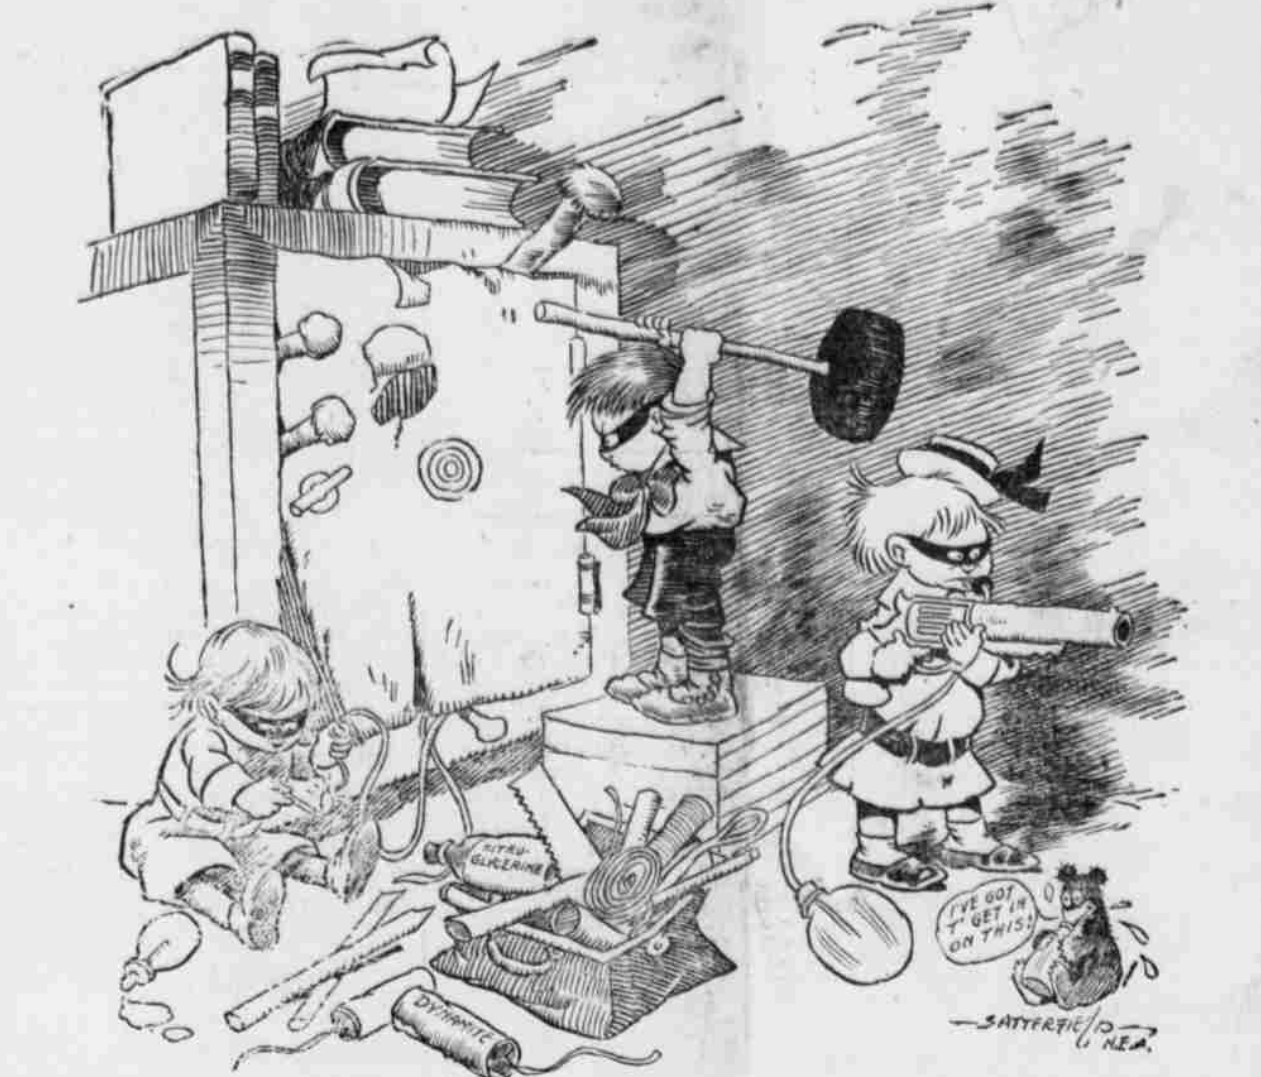

Two Important Resolutions Introduced--Roswell Chosen as Next Meeting Place.

At the meeting of the Bar Association, yesterday, the following resolutions were offered, and it was decided that the consideration of said resolutions should go over until the adjourned meeting of the association, which is to be held on the first day of the meeting of the Supreme Court at the January term, in Santa Fe.

Resolved, That it shall be considered unprofessional conduct upon the part of any practicing attorney in New Mexico who shall talk about or discuss the merits of any cause which may at any time be pending in any of the District Courts or the Supreme Court, or which may go to the Supreme Court on appeal, with any Judge of any District Court or Supreme Court of said territory prior to trial or after submission of said cause, except on request of a Judge of the court in which said cause may be pending, and then only in the presence of the adverse counsel.

Resolved, That it is the sense of this Bar Association that conferences between the Judges of the District

TRINIDAD MAY TIE CLIFTON FOR FIRST MONEY IN TOURNAMENT

Defeat El Paso By Decisive Score of 15 to 6 This Morning--Grand Montezuma Ball Takes Place Tonight--Fair Closes Tomorrow Night.

There was a noticeable lull today after the immense attendance at the fair yesterday, but still the morning trains from the south and west brought many new visitors, while the same trains carried many away who live in the northern part of the territory.

NINE THOUSAND PEOPLE PASSED THROUGH GATES

The crowd that made the trip to Traciton park this morning to see the ball game was not large, but this afternoon before one o'clock the people began to pack the cars bound for the park to see the events on the afternoon program and although the attendance by no means equals that of yesterday, the crowd is very large.

Trinidad Walloped El Paso. With Glaze in the box, playing as a finger under the name of Pierce, Trinidad gave El Paso a thorough drubbing this morning. Score 15 to 6.

Five hits right off the reel brought in five runs in the first inning for Trinidad. Weidman succeeded in getting the box for El Paso, but one inning was all that he could stand. The big six bunch made two runs in the second and Keating succeeded in getting the box for Trinidad. The bombardment continued, but El Paso was out of pitchers, and Keating had to take it. Twelve hits, assisted by fourteen errors, made victory child's play for the "Big Six."

Glaze got tired in the sixth inning, and traded places with Clark at first. Kelly, catcher for El Paso, did likewise, Coleman succeeding him. Only a small crowd witnessed the frost.

Table with 3 columns: Team, Score, Innings. Rows for El Paso, Trinidad, and Totals.

The race between the cowboys and Indians was very exciting and was won by a nose by Pat Nun, of the Diamond A ranch, with a Navajo buck a very close second and the rest of the field followed bunching up. Just before the wire was reached one of the ponies ridden by an Indian fell, and for a few minutes the crowd was struck dumb, thinking, perhaps, that the brave had been killed, but when the dust cleared and some cowboys went to his aid, it was found that beyond a severe shaking up he was not much injured.

GRAND MONTEZUMA BALL AT THE ALVARADO TONIGHT

The Montezuma ball, the social feature of the twenty-fifth territorial fair, will be held tonight at the Alvarado. The music will begin promptly at 9 o'clock, the program leading off with the grand march.

Guests of the Montezuma hall will enter the hotel from the west. Footmen will be stationed at the outer door and at the head of the stairs, which are directly at the right of the

NILIC IS ANOTHER WAY FOR SPENDING PEOPLE'S MONEY

It Shows How Certain Agents are Paid Bonuses Above Their Regular Commissions Their Amount

REACHING ONE PER CENT OF ALL THE RENEWALS

McCullagh, Employed by Hamilton and Endorser of the Hundred Thousand Checks, Knew Nothing.

PERKINS COULD THROW NO NEW LIGHT ON SUBJECT

New York, Sept. 22.—Upon the re-assembling today of the Legislative Committee investigating the life insurance business, Thomas A. Buckner, of the New York Life Company, who had charge of that company's agencies, was called to the stand. The matter of "nilic" counts was taken up. They include the records of the system for bonuses paid agents. Nilic, he said, was a body drawn from the ranks of agents who create business for his company. Buckner said what money agents get from nilic was in addition to the regular agent's commissions. The witness stated that the cost of nilic today is one per cent of renewal premiums. Buckner said that nilic was invaluable in holding agents in solidarity.

HAMILTON'S CLERK AND PERKINS ARE WITNESSES.

New York, Sept. 22.—The first witness before the legislative insurance investigating committee yesterday afternoon was J. F. McCullagh, of Albany, who is employed by Andrew A. Hamilton. The checks for \$100,000, given by the New York Life Insurance Company to Hamilton, bore McCullagh's endorsement, but the witness said he knew nothing of the checks or the money except what he had read in the newspapers. He did not know whether Hamilton had appeared before the Legislative committee, nor did he know anything about his employer's account in the New York State National of Albany. He did not know of any other account of Hamilton in Albany, but he knew he was elected director of the Albany Trust Company, about a year ago.

TRouble BRUING FOR PREIDENT CASTRO

Paris, Sept. 22.—The semi-official Temps, this evening, prints a leading article reflecting official sentiment on the subject of the Venezuelan trouble. It said M. Taty, French charge d'affaires at Caracas, had been ordered to insist on Venezuela's withdrawing her refusal to deal with him. If her withdrawal is made and President Castro makes ample apology, negotiations will continue. If Venezuela does not accede, it is asserted, the best course would be for France and the United States to make a joint naval demonstration, in which Great Britain, Germany and Italy may take part.

Bucket Shop in Chicago.

Chicago, Sept. 22.—Detectives today raided the brokerage office of Thomas Davis & Co. Eleven men and two women were arrested. The police assert that they have paid out over \$200,000, and it is charged they have been doing a bucket shop business.

ALLIED PRINTING TRADES AID STRIKING PRINTERS

Chicago, Sept. 22.—The council of the Allied Printing Trades of Chicago last night took radical action in the fight between the Chicago Typographical union No. 16. Resolutions were adopted in which all the allied trades pledged support to the printers. The council consists of pressmen, mailers, bookbinders, paper rulers, stereotypers and electrotypers. The executive board of the Typographical union announced that nine firms had signed the union agreement during the day.

WARNING WORDS TO PARENTS CONCERNING THE CARNIVAL

A Season of Demoralization, Excitement, Dissipation and Abrogation of Restraints, Having Tendency to Many Evils.

While giving to the Territorial Fair every support in its power, and wishing it the very highest measure of success, The Citizen has strong doubts whether the closing or carnival night can be looked upon with approval. Certainly, no word of approval can be uttered in favor of the admission of girls, boys or women, whether masked or unmasked, into barrooms and gambling places. Such admission is contrary to law, and there can be no good reason why the law should not be enforced the last night of the fair as well as during the other 264 days of the year; and The Citizen would have been pleased, had the police department, by official proclamation, let it be known that during carnival night, no boy, girl or woman can enter a saloon or any gambling room, but upon the penalty of arrest.

YESTERDAY'S RATES WERE EXCEEDINGLY INTERESTING

T. J. Shinnick's Independence won the \$350 colt race yesterday afternoon at the fair grounds, in three straight heats, making the best mile in 1:39. Independence lost the first heat to Maud S., owned by W. H. Salisbury, but after that heat the Shinnick colt traced and took the rest in order, with Maud S. second and Trixie a bad third.

The mile mixed trot or pace was won by Cricket in three straight heats with Armada Hal and Billy Thornwood in the order named. The best time was 2:51.

McKinley won the galloper's race yesterday afternoon in a driving finish with Goddess of Night, while Frank McGuire brought up the heat. This race caught the grandstand and the finish was close enough to cause the judges trouble. The time was 2:45.

Clayton Blittner, who has won all the bicycle races at the fair, yesterday wound up the bike races by winning the two mile lap race, thereby winning the \$50 Cleveland racer donated by F. L. Hopping. Miller and Dodson tied for second place.

Troop H, of the Fifth United States cavalry, Lieutenant Lewis, commanding, yesterday afternoon established a new record for the cavalry service in breaking camp on a midnight alarm and getting away. It was announced before the drill that the record was four minutes and thirty seconds, which had already been made by Troop H. The drill is an exceedingly difficult one. It shows the troop in camp at night, when it is suddenly attacked by the enemy. The object is to see how quick the troops can gather up their tents, etc., mount and get away. The drill yesterday was the best ever seen in this city, and the fact that the men were going after a record made it all the more interesting. It was successful, as the time consumed was exactly three minutes and fifty-five seconds, thus establishing a new record. After this drill the troops gave a fine saber drill, which ended the soldiers' work for the afternoon. The troop-

San Juan Fruit Gets First Prize. Rio Arriba County Exhibit Second and Chaves County Third. KANSAS CATTLE ARE BEST. Late yesterday afternoon the cash prizes for the fruit and vegetable displays at the fair were awarded by the committee of expert judges as follows: The first prize, \$100, for the best general display was awarded to A. F. Miller, of Farmington. The second prize, \$50, fell to L. Bradford Prince, of Espanola, and the third prize, \$25, to J. J. Hagerman, of Roswell. Prizes of \$10 were awarded as follows: Best plate of grapes, F. C. Stewart; apples, J. J. Hagerman; Roswell; peaches, Mr. Glickler, Albuquerque; pears, A. F. Miller, Farmington; plums, L. B. Prince, Espanola; peaches, A. F. Miller, Farmington; J. W. Corbett, of Estancia, received the first prize, \$25, for the best vegetable exhibit. A. F. Miller, of Farmington, received \$10 prize for the finest potatoes and biggest pumpkins. Honorable mention was awarded to J. J. Hagerman for the finest Ben Davis, Jonathan, Missouri Pippin and Winesap apples. L. B. Prince's Golden Russets, Fall Pippins and Jennison's received the same award. Just outside of Floral hall, J. T. Harger, of Lockhart's ranch, shows some very fine White Leghorn, Barred Plymouth Rock and Brown Leghorn chickens. He advertises them all as bred-to-day.

Kansas Cattle Get Premium. The exhibit of fine Hereford and Galloway cattle from the Lone Willow stock farm, McCracken, Kansas, took the first premium as the best display of registered stock. Joseph Jennings, proprietor of the stock farm, has been at the fair and looked after his stock personally, which has had in a great measure something to do with the showing they have made. They are all well fed and well kept and were by far the best herd among the stock display at the fair.

MURDER MYSTERY IS PERPLEXING POLICE. Boston, Mass., Sept. 22.—The police of Winthrop and Boston are making an extra effort to unravel the mystery which surrounds the crime discovered yesterday by the finding of the disintegrated trunk of a woman, in a dress suit case, near Club pier, Winthrop. An autopsy revealed evidence that the woman had been the victim of an unsuccessful surgical operation, and that the dismembering of the body had been the work of skillful hands. No promising clues have been discovered.

Died Suddenly. Beverly, Mass., Sept. 22.—Francis H. Peabody, a member of the Boston banking firm of Klader, Peabody & Co., died suddenly of heart disease today, aged 74. For nearly half a century he has been prominent in financial circles of the country.
